Dear friends and music lovers:

Our 15th Season of Nocturnes in the City was quite successful with many of our subscribers expressing their appreciation for the superb musical talents that performed throughout the entire season. As always, we make every effort to encourage and enhance the growth of our Czech and Slovak culture and heritage. With this foremost in our mind, we have again assembled an outstanding selection of musical giants that I'm sure you will thoroughly enjoy. This season we will hold three concerts in St. Wenceslaus Church and five in the Prague Restaurant at Masaryktown in Scarborough.

As in the past, all our performances will be held on Sundays at 5:00 pm with the first concert on Sunday, September 18, 2016 at the Prague Restaurant.

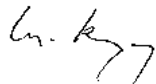

I am again very pleased to announce that this year every subscriber who subscribes for the entire season of concerts will receive two free passes to be used by their friends for any of the performances. This is our way of saying "Thank You" to our loyal subscribers to continue with their subscriptions and to introduce new and more people to these outstanding musical evenings.

It's my sincere wish and desire that we may continue to bring you these extremely talented performers at a most reasonable cost, but we really need your generous support by subscribing for the full season and encouraging your friends and their friends to join us. Every year the costs of putting on these very special evenings increase substantially and are always a huge challenge for us. It would be very much

appreciated and go a long way to help us defray some of these mounting costs if you would consider making a special personal donation. Subscriptions alone cover considerably less than half of our costs. These eight concerts represent a fantastic value which cannot be matched anywhere. I ask and encourage you to make a personal donation.

I'd like to extend a very special thank you to all our treasured sponsors, loyal subscribers and those who made very generous personal donations. Without your help we could not continue to present these magnificent and exciting show pieces. I really look forward to seeing all of you at our first concert on Sunday, September 18, 2016 at the Prague Restaurant.

Sincerely,

DR. MILOŠ KRAJNÝ

.....
